

BUTLER COUNTY MEAT GOAT ASSOCIATION

The Butler County Meat Goat Association is in its 8th year, striving to support and educate the youth and breeders of Butler County. The BCMGA will again offer educational opportunities by hosting a **free** clinic for youth and an open show in June, and a born & raised show at the Butler County Fair in July. The youth will have the opportunity to earn prizes and money and their dedication, enthusiasm and commitment towards the meat goat industry are truly amazing.

The BCMGA also gives back! With the proceeds from these events we plan to provide two \$500 scholarships to graduates and have made many fairground improvements such as fans in the goat barn, completed wash pit, fans in the Open Class Barn, bathroom improvements, and donations toward roof replacement on the Jr. Fair building.

This is where you can help. The BCMGA can only provide these opportunities with help from BCMGA members, farms, businesses and corporations like you. Sponsors are needed for the Butler County Boer Goat Classic on June 23rd, 2019 at the Butler County Fairgrounds. This is a very successful event and gives our kids an opportunity to show and fine tune their projects before the fair in July. With your \$35 class sponsor, your name will be announced during the show. There are 100+ class sponsors needed.

Junior Market Show, Commercial Doe Show, & (2) Sanctioned Open ABGA Shows

If you have any questions about sponsorship, please contact one of the following BCMGA members.

- Tyler Gentry, President (513) 535-7462
- Gwena Marcum, Vice President (513) 720-6050
